Hi Maida-

I have no vacation plans in the next few weeks, and the only cases I have scheduled farther away than Northampton before 2012 are on 12/12/2011 in Taunton and 12/13/2011 in Wareham, but I'll most likely be on call so the mornings should work those days. If you need my schedule after the New Year, just let me know and I'll get it to you. Also, you mentioned Lab Nos. [REDACTED] but when I looked them up I noticed that [REDACTED] also had the same defendant ([REDACTED]), so I'll prepare for that as well.

Hi Sonja.

This case is set for trial tomorrow. It will go into the first session trial pool. You analyzed the drugs 3/18/11. Marijuana, cocaine in powder and rock form and a bag of powder that was not cocaine. Do you have any dates you are not available? I am not available the week between Christmas and New Years, so it would not go that week. Thanks.
